

Travelling to/from Cyprus

There are two airports in Cyprus, one in Larnaca and one in Paphos. They are both about 45min from Limassol. Larnaca is the main airport (hence more frequent flights), but a lot of low-cost airlines fly to Paphos airport. There are no trains in Cyprus, so you may either take the bus (about 8-10 euros) or share a taxi with others (about 50-60 euros) from the airport to Limassol. If you would like us to help you with arranging a taxi, please email us your arrival day and time and flight number at alexandros@energylab.ac.cy.

Meeting Location

All meetings will be held at the premises of the Cyprus University of Technology (map here: <https://goo.gl/maps/GBMi7aXCuiF2>).

Local Accommodation in Limassol

There is a plethora of hotels by the seafront, with easy access to the Meeting Location and you can book your hotel through your preferred hotel booking site (i.e. <http://www.booking.com/city/cy/limassol> or <http://www.bookcyprus.com/main/default.aspx>). Some hotel recommendations are:

- 1) Kapetanios Limassol Hotel
- 2) Crowne Plaza Limassol
- 3) The Royal Apollonia

Feel free to book any of the hotels based on your budget.

Travelling to/from Hotel to Meeting Location

Most hotels are at a walking distance from the Cyprus University of Technology, where the meeting will take place (less than 25-30min). However, bus number 30 connects all the seafront hotels and the university and runs every 20min (route here: <http://goo.gl/2mEXLW>).
